PARISH OF ST GILES' ICKENHAM

Every person has a value and dignity which comes directly from the creation of male and female in God's own image and likeness. Christians see this potential as fulfilled by God's re-creation of us in Christ. This implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

- We accept and endorse the principles set out in 'Safeguarding in the Diocese of London'.
- We commit ourselves to nurture, protect and safeguard all our members: children, young people and adults.
- We recognise that safeguarding is the responsibility of the whole church community.
- We undertake to exercise proper care in the selection, appointment, training and support of those
 working in both paid and voluntary positions with children or adults, including the use of Disclosure and
 Barring Service (DBS) disclosures and making appropriate referrals to the Disclosure and Barring Service.
- We will respond without delay to concerns or allegations that a child or adult may have been harmed, cooperating with the police and social care services in any investigation.
- We will challenge any abuse of power by anyone in a position of trust.
- We will seek to offer pastoral care and support to anyone who has suffered abuse, developing with them
 appropriate pastoral support.
- We will seek to offer pastoral care and support, including supervision and referral to the proper authorities, to any member of our church community known to have offended against a child, young person or adult.
